The Importance of Habits

The words of פרשת המן are fairly well known. Some people read it every day. Some read it at special times during the year. It is certainly a popular section for people to sponsor when a new sefer Torah is being written.

The reason for its popularity is quite clear and simple. Those pasukim detail and highlight how HaShem provided food and sustenance for Bnei Yisrael during their 40 years in the Midbar.

Yet, what may fall under the radar is the timing of the meals. The Sforno informs us that Moshe Rabbeinu prayed that HaShem would provide bread for their evening needs in the evening (see Shemos 16:6) because Bnei Yisrael were accustomed to sitting at the pot of meat without any fixed mealtimes like the Egyptians. This was apparently the manner in which the Egyptians ate their food. They ate in a haphazard way and the Jews adopted this approach when they were in slavery. To signify Bnei Yisrael’s true freedom, Moshe prayed to HaShem to give them food at set mealtimes. Only then would the Jews be truly free from Mitzrayim.

HaRav Alter Henach Leibowitz zt’l, the famed Rosh HaYeshiva of Chofetz Chaim in Queens, NY, asked why weren’t the Jews themselves aware of this problem? They should have corrected this flaw as soon as they left Mitzrayim! Finally, the Rosh HaYeshiva wanted to understand why the Jews were described as “enslaved” when they were now free men and on their way to receiving the Torah?

HaRav Leibowitz quoted the Mesilas Yesharim (Chapter 9) which teaches us that a habit becomes so ingrained that it becomes second nature. It becomes a self-imposed prison from which the person cannon break free. As slaves, Bnei Yisrael imitated the eating habits of their masters, and perhaps at that lowly level it was not a fault. Only once they began their ascent to the heights of ruchnius did the lack of fixed mealtimes become a serious deficiency. Yet, since it was already ingrained in them, they did not even notice that they were acting in an undignified manner.

This, HaRav Leibowitz explains, is the power of habits. How we spend our time and the habits that develop as a result, end up defining who we are.

The habits of our honorees, Glenn & Debby Pfeiffer and Mrs. Anne (Honey) Senter, are truly legendary. Glenn and Debby have integrated the needs of the community
into their psyche and their way of life. Over the past decade, Glenn has played an invaluable role as a general board member, as treasurer, and as the Board President. In these roles, Glenn taught us all what it means to dedicate oneself. Glenn demonstrated the importance of including everyone and giving them a voice. His habit of being “machshiv” everyone impacted every aspect of the way the Yeshiva ran.

As a couple, Glenn and Debby, have nurtured a family and community, instilling within each love and concern for others. Debby’s column in the Jewish Link has sensitized the entire community to the value of human life and the great importance of being there for others. For Debby, her work comes so easily. It is so incredibly natural for her to feel for and give to others and that has trickled down to the children. It has been a pleasure for our Yeshiva to educate Gila, Zahava, Ayelet, Miri and Yehuda who have truly embodied their parents life lessons.

For Mrs. Honey Senter, the Yeshiva is truly about a lifelong achievement and the Yeshiva stands as testament of her family’s tireless dedication to Klal Yisrael. Mrs. Senter has been: one of the first students in the Yeshiva of Jersey City, a teacher in the Yeshiva of Hudson County, a parent and board member in the Yeshiva of North Jersey and then as a grandparent and board member in the ROSENBAUM Yeshiva of North Jersey. Mrs. Senter’s love for the Jewish people continues to influence the Yeshiva. It is not a surprise that our Middle School girls raised the most money for Yad Leah, an organization that Mrs. Senter is passionately involved in. The lesson we have learned from Mrs. Senter is the importance of translating our Torah learning into a life of habitually living and breathing Torah and chessed.

We wish our honorees tremendous nachas from their children and families. We thank them for their dedication to the Yeshiva and the broader community and we thank them for setting such an incredible example for all of us.

Rabbi Daniel Price
I am honored to welcome you to Rosenbaum Yeshiva of North Jersey’s 81st Annual Dinner and am delighted to represent you in bestowing honor upon pillars of communal leadership, our friends, Debby and Glenn Pfeiffer, our guests of honor, and Anne (Honey) Senter, the recipient of our RYNJ Legacy Award, which we are inaugurating this year. Our annual dinner provides us with a unique opportunity to gather together and reflect on all that we have to celebrate. We are so proud of the accomplishments of each and every one of our students. We are grateful for our outstanding, dedicated staff of professionals to whom we entrust the education and development of our children. We celebrate the graduating class of 2019 who will go on to join the thousands of RYNJ alumni who epitomize the superior results of an RYNJ education. We are grateful for a committed and enthusiastic parent body who understand the value of a Jewish education and partner with us every step of the way. It is a pleasure to work alongside lay leaders who are deeply devoted to the Yeshiva and who are a priceless resource in working towards our continued shared goal of academic excellence and commitment to Torah learning, the careful performance of mitzvos, and spiritual growth. We are grateful to our exceptional team of administrators, led by Rabbi Price, who inspire us all through their leadership and devotion to our Yeshiva. Tonight we join together to celebrate our honorees, each of whom have dedicated so much of their time and resources to ensure the success of our Yeshiva.

Our Guests of Honor, Debby and Glenn Pfeiffer, are a shining example of the parental involvement and dedication to volunteerism that sets the RYNJ parent body apart. A leader who listens to all, Glenn successfully formed many committees to address initiatives, tackle issues, and create a sense of community and a culture of involvement throughout the Yeshiva’s parent body and faculty. On a personal level, Glenn has taught me, among many other things, that the power of “I”, pales in comparison to the power of “We”. Over the years, Debby’s involvement in RYNJ has been with grace and consistency; always looking to assist in any way possible, and wherever a need arises. We are so grateful for all that they have done and continue to do for the Yeshiva.
It is our pleasure this evening to present Mrs. Anne (Honey) Senter with the inaugural RYNJ Legacy Award. Mrs. Senter’s affiliation with the Rosenbaum Yeshiva of North Jersey dates back to first grade when she entered the doors of RYNJ, then known as the Yeshiva of Jersey City. After graduating from the Yeshiva in 1950, and throughout the next six decades, Mrs. Senter continued her association with the Yeshiva, as a teacher in the early 1960’s, as a parent, grandparent, and great-grandparent, as well as serving as a board member, in which capacity she currently serves as an Honorary Trustee, and finally was involved in the acquisition of the current site of RYNJ. While we look forward to our b’ezras Hashem bright and rich future as a Yeshiva, there is no better way to establish for ourselves a clear path, then by paying tribute and gaining insights and guidance from a real visionary, such as Anne (Honey) Senter.

The dinner is the culmination of many months of tireless work by our dinner chairs Jennifer Wiederkehr and Gabriella Spinowitz, who continue to make each year’s dinner better than the previous dinners, and our journal chairs, Avraham Simcha Adler and Jeremy Rauch, for their terrific work on our journal campaign and virtual journal. I would also like to thank Rivka Zauderer for her incredible work in adding her creative flair to many aspects of our dinner including the invitations, the videos, and many other details, and Shira Isenberg for countless hours of behind the scenes work in ensuring the success of the dinner. Additionally, Sandy Steinberg, Sandy Horne and the entire business office deserve our accolades for their dedication, always going above and beyond to ensure the success of our dinner campaign. Finally, I am grateful to each of you, our RYNJ family and valued supporters, for your generosity in response to our campaign and for taking time from your busy schedules to celebrate with us tonight.

Adam Mermelstein
It is with great pleasure that we honor some very special people this evening at our 81st annual dinner. Our guests of honor, Debby and Glenn Pfeiffer, have given so much of their time to RYNJ. Glenn has been a board member for many years, including being president of RYNJ. No one can possibly imagine how much time and effort Glenn devoted to being president and whatever amount you would think, it’s way more time than that. Living in our community, he represented the Yeshiva even when he took his family out to pizza. The only person who truly understands how dedicated Glenn is, is Debby. She has truly been his aizer knegdo, his aishes chayil, his partner in all he does for RYNJ. Every single event that Glenn was upfront leading, Debby was there right beside him. He is blessed to have such a wonderful family so dedicated and immersed in our school. When Glenn became the president there were many new ideas he wanted to implement with Rabbi Price. I had worked with Glenn for years on a few very sensitive projects and I was sure he would never have the time to continue these with me. This was not the case. Even though the day has only 24 hours, Glenn made it seem like he had infinite amount of time, both to work with me and to become Rabbi Price’s close partner. Glenn always has the time for the Yeshiva and when I think of Glenn, I am reminded of a story Jackie Feigenbaum told me years ago. When I asked Jackie how he had so much time for the Yeshiva (this was in the days before emails and whatsapp) he told me he had a deal with the Rebono Shel Olam. They had this great symbiotic relationship. It went something like, if the president of the Yeshiva will spend his day worrying about the Torah education of all the children in the Yeshiva, then HKBH would spend HIS days making sure the president’s parnasa was taken care of in return. Baruch Hashem, Glenn and Debby agree whole heartedly with that arrangement and Im Yirtzeh Hashem they will continue to work for RYNJ for many more years.

Additionally, tonight we honor my sister, Anne/Chana/Honey Senter with the first Legacy Award given by RYNJ. There can be no one more fitting of receiving this award than Chana Senter. It was 1942 when she started public school because the Yeshiva of Jersey City was some 10 miles away. When she came home singing the wrong holiday songs, our Grandfather Dovid Rosenbaum said, that is not going
to happen. He made sure she went to the Yeshiva. Shortly thereafter, in 1943, our parents Aaron and Rosalind Rosenbaum found the building that would be the first home of the Yeshiva on New York Ave in Union City and that would be where Honey went. There, my sister grew in her Torah learning and was the best in her gemara shiur which included all the boys (those were different times). My sister was a pioneer and continued her education at Yeshiva University’s high school for young ladies, called Central. She then continued her education in the first graduating class of Stern College. When my sister got married and had children, she sent all of her children to Yeshiva of Hudson County. When it became evident, because of changing demographics, that the Yeshiva need to move to Bergen County, it was my sister who once again stepped forward to help find a temporary home. When the Yeshiva grew so big, it needed to find a permanent home, she was instrumental in helping obtain the current building on Kinderkamack Road. Honey was a student in the Yeshiva, a teacher in the Yeshiva (my teacher actually), a parent in the Yeshiva, a grandparent in the Yeshiva, a board member of the Yeshiva, a Trustee of the Yeshiva, a major donor to the Yeshiva for all the many fundraising projects, but above all she is the eldest daughter of Aaron and Rosalind Rosenbaum ZTL and she leads the rest of the family on the one true path. No one can be more deserving of the inaugural Legacy Award because she has clearly followed in the footsteps of our parents and left her own legacy and mark on RYNJ.

Rabbi Yehuda Rosenbaum
DEBBY & GLENN PFEIFFER
Guests of Honor
We are privileged to honor true pillars of Rosenbaum Yeshiva of North Jersey leadership, Debby and Glenn Pfeiffer, as our Guests of Honor. Debby and Glenn have been an integral part of the growth and success of our Yeshiva over the past 18 years. Their warmth, compassion and deep commitment to the values of Chesed and community are unmatched.

Glenn has served on both the Board and the Executive Board of RYNJ for the past 13 years, including terms as Treasurer and President, and is currently the Executive Vice President. RYNJ has benefited immeasurably from his visionary leadership, sensitivity, and superior financial and organizational expertise, particularly during the past 3 years, when he served as President. Glenn draws on his extensive professional talents and experience as International Tax Counsel for GE to provide strategic planning for the Yeshiva’s future, while focusing on broadening and strengthening the involvement and inclusion of all the families and staff in RYNJ. Glenn takes the time to listen to all the Yeshiva’s stakeholders, incorporates ideas and suggestions while prioritizing the Yeshiva at all times. He works tirelessly and enthusiastically with our lay leadership, administration, faculty and parent body in planning and developing exciting and beneficial new programming and fundraising opportunities designed to enhance the RYNJ experience. In addition to his work on behalf of the Yeshiva, Glenn has also served on the board of Congregation Beth Abraham in Bergenfield, including multiple stints as secretary.

Over the years, Debby has worked on the RYNJ open house and recruitment efforts and has been a dedicated PTA volunteer. Debby also lends her considerable talents to Beth Abraham, Yachad NCSY, Bikur Cholim of Bergen County and the Chevra Kadisha. Professionally, Debby serves as a chaplain at Morristown Medical Center for the Jewish Federation of
MetroWest. The moving and meaningful articles about her experiences as a chaplain that appear in the Jewish Link of North Jersey, have touched, inspired, and helped hundreds of people in the community.

Debby and Glenn have devoted so much of themselves to the needs of our Yeshiva, Beth Abraham, and the greater community at large. They truly model for us all how one family can substantially impact a community, and the Yeshiva is grateful to be the beneficiary of their continued efforts.

Debby and Glenn are the proud parents of Gila ’11, and her husband Baruch, Zahava ’13, Ayelet ’15, Miri ’17 and Yehuda, a current 7th grade student.
We are proud to honor Mrs. Anne (Honey) Senter with the RYNJ Legacy Award. Mrs. Senter’s affiliation with the Rosenbaum Yeshiva of North Jersey dates back to first grade when she entered the doors of RYNJ, then known as the Yeshiva of Jersey City. When the school moved to Union City, the name was changed to the Yeshiva of Hudson County. After graduating from the Yeshiva in 1950, and throughout the next six decades, Mrs. Senter continued her association with the Yeshiva, as a teacher in the early 1960’s, as a parent, grandparent, and great-grandparent, as well as serving as a board member, in which capacity she currently serves as an Honorary Trustee.

When the modern orthodox demographics were changing in Northern Jersey in the late 1970’s, Mrs. Senter, along with her husband Rabbi Zecharia (Harvey) Senter, and her parents Aaron z”l and Rosalind a”h Rosenbaum (for whom RYNJ is named), had the foresight to move to Teaneck. At the same time, they were instrumental in relocating the Yeshiva from Hudson County to Bergen County, where it was subsequently renamed the Yeshiva of North Jersey. Mrs. Senter’s involvement continued in the 1980’s and 1990’s as the Yeshiva moved around Bergen County, temporarily housed in Teaneck, New Milford and Ridgefield Park, before establishing its permanent home in its current location in River Edge, in the building which Mrs. Senter had pointed out to her father as a good possibility for the new home for the Yeshiva. The Senters have helped the Yeshiva over the years, donating personally and fundraising on behalf of the Yeshiva.

Additionally, they have been involved in the continued growth of the greater Jewish community in Teaneck and Bergenfield, Mrs. Senter as one of the founders of the Teaneck Mikvah and Rabbi Senter as Rabbi
of Congregation Beth Abraham in Bergenfield. Mrs. Senter served on the Teaneck Board of Adjustment for over 30 years, 23 of them as Chairperson.

Professionally, the Senters are the founders of KOF-K Kosher Supervision, one of the foremost kosher certifications in the world.

The Senters are proud parents of five children, and numerous grandchildren and great grandchildren, many of whom attended and/or worked in the Yeshiva.

I am very grateful to the Rosenbaum Yeshiva of North Jersey for prevailing upon the Rebbetzin to publicly receive our communal berachos that Hashem continue to bless you both with the strength and creativity and integrity that have been the hallmark of your service to our community for decades.

I personally and the Beth Abraham of Bergenfield and the Bergenfield kehillah continually reap the fruit of the strong foundation that you set in place. The non-compromising standards of avodas Hashem and the determination to cut no corners in shmiras hamitzvos are your teachings that we have been blessed to aspire towards and to have the strength to uphold them is our very fervent prayer. In a similar fashion your dedication to your forbearers that was and continues to be so evident, is a seed that we are dedicated to continue to nurture.

Please allow to explain that these feelings are very real. After all, it is your legacy that blesses our community with a slightly longer Shabbos. That in and of itself is a blessing beyond words. However, that it connects us with the psak of Rav Moshe Feinstein tz”l, weekly and concretely, and communicates the absolute reverence for the giants of our people, is of inestimable importance. At the same time the sensitivity to sof zman kriyas shema that you so strongly advocated continues to teach the precision of the observance of mitzvos which you emulate to your family and far beyond through our community. At the same time placing anim zemiros and the hoshana hakofos earlier in davening, again in consonance with the opinion of Rav Moshe, has helped to embed the consciousness that the davening in shul need be focused, respectful and flexible when appropriate. Boruch Hashem we have been blessed to build on those principles with great siyate dishmaya.

We pray that Hashem continues to bless you with long years of good health to be able enjoy the richly deserved nachas from family and from the community and from all your avodas hakodesh and that He continues to bless us with your wisdom and guidance for many year to come.

Sincerely

Yaakov Neuburger
In honor of Mrs. Honey Senter

The matriarch of the Teaneck/Bergenfield Community

Thank you for your myriad contributions to the Kehillah and especially to the Teaneck Mikvah. As one of the individuals who were here from the beginning, you ensured and continue to ensure that our community would be born and raised "betahara." We are truly indebted to you for the time, efforts, perseverance, and "chochma" you applied to the establishment of the Mikvah and all of your communal activities on behalf of Klal Yisrael.

We are particularly appreciative of your generosity, support and guidance over the years.

Wishing you and Rabbi Senter good health and bracha, and in the zechus of all of the families you helped over the years may you have much nachas from your wonderful family.

Thank you.

In honor of the greatest, older sister one could ever hope to have

**Honey Senter RYNJ ‘50**

Throughout our lives, Mommy and Daddy ZTL were incredibly proud of you. This was with good reason because as the oldest you showed all of us the Derech of communal service to follow. This award and recognition tonight is fitting and proper for all your years of community work. You have steadfastly followed in the footsteps of our parents, Aaron and Rosalind Rosenbaum whose name adorns this wonderful Yeshiva. How fitting it is that the Rosenbaum Yeshiva honors the Rosenbaum who was the first in the family to attend this magnificent Makom Torah.

With all our love and respect
Andria and Yehuda RYNJ ‘67 Rosenbaum
Avital RYNJ ‘99 and Dr Yaakov Zeffren, Penny and Aaron

Mazel Tov to

Debby and Glenn Pfeiffer

on this well deserved honor. You inspire me and Francine, as well as the entire community, on your priorities of always putting tzorchei tzibbur first. Your hard work, dedication to your family and communal work, and friendship is truly valued, and we consider you both to be role models to our family.

Thank you Glenn for your continued daily involvement in RYNJ and for always going above and beyond the call of duty to contribute to the success of the Yeshiva. I could not ask for a better mentor and friend.

Mazel Tov to

Mrs. Anne (Honey) Senter

on receiving the RYNJ Legacy Award. It is a privilege to be able to pay tribute to someone so pivotal in establishing the Orthodox footprint and infrastructure within Bergen County. May you continue to see the fruits of your labor continue to mature over the coming years.

Thank you to the amazing administration, rebbeim, morot, and teachers who teach, inspire, and guide our children on a daily basis.

Francine and Adam Mermelstein
In honor of

Debby and Glenn

Thank you for all that you have done and continue to do for our yeshiva and our community. You give so much of your time, expertise and resources to benefit all of us; and you do it, most importantly, with devotion, concern, thoughtfulness and kindness. May HKB”H grant you good health and bracha to continue doing your important work and wishing you much nachas always!

In honor of

Mrs. Honey Senter

Thank you for building the community in which we live. We owe so much to your foresight, hard work, commitment, and your continued support of our yeshiva and kehilla. May HKB”H grant you and Rabbi Senter good health and continued nachas from your immediate and greater Teaneck family. Thank you.

As Sariel graduates, we want to thank the administration, morot, teachers and rebbeim who have partnered with us in the chinuch and development of Sariel. Thank you for the foundation and basis that he will take with him into high school and beyond. May we share much nachas from Sariel and all of our talmidim.

With appreciation,
Yechiel and Nomi Rotblat and family

GOLD PAGE SPONSORS
To the Presidents that have preceded me and led the way for my involvement in the Yeshiva over many years:

**Allen Pfeiffer**
**Eli Weber**
**Yudi Rosenbaum**
**Azi Mandel**

Thank you for paving the way and inspiring me through your leadership, sacrifice, dedication and commitment. I have seen each of you live and breathe RYNJ, and you each have had relentless energy and passion for constant improvements and growth at our Yeshiva.

**Allen**, special thanks for being the best brother anyone could ask for and for helping advise (often “off the record”) with any issues and advice for RYNJ.

**Yudi**, special thanks for being another “big brother” to me. You really did show me the RYNJ ropes, and always have great ideas for progress. Your positivity and early morning follow-up emails are inspiring (I tried to follow you on this but couldn’t keep up!).

Thank you to **Adam Mermelstein** for improving the presidency after my term! You are a tremendous leader who impresses us all with your perfect balance of a great sense of humor, can-do attitude and results-oriented organization.

**Miriam, Elka, Andria, Rachel** and now **Francine**, thank you for giving up so much time with your husbands and families for our Yeshiva!

**Glenn**
To all the members of the Executive Board, Board of Directors, Board of Education and PTA Board:

Throughout our 19 years at the Yeshiva, I have admired your dedication, your professionalism, your drive, your convictions and your steadfast commitment to excellence.

You are true models of what it means to be עוסק בצרכי ציבור באמונה: You generously volunteer your time and your contributions know no bounds. You give to every formal campaign and special project and find opportunities to help RYNJ’s families in need - from donations, to clothing, to meals, to financial advisement, to finding employment opportunities … all - בצלעה בצניעת ובאהבה.

You have accomplished the superhuman task of maintaining a financially stable institution while balancing the often-competing needs of each of its constituencies.

Most importantly, thank you for inspiring me, for your encouragement and for your friendship.

On a more personal note, thank you for helping me execute the often very difficult task of being President. I literally (literally literally, not figuratively literally 😜) could not have done it without your collective help, support and advice.

I am so happy that our involvement in RYNJ has enabled us to count so many of you as our personal friends.

The various Boards are just leaders, but their jobs could not be done without the collective efforts of the many volunteers listed in the volunteer journal. Thank you, thank you for all of your support and assistance.

Glenn
To the leaders of our Yeshiva, our Heads of School:
Thank you for your sacrifices to create this most incredible Yeshiva, which is a second home for our families; one committed to the timeless Torah, while embracing innovative and creative ways to help our children internalize its lessons. You have built a Yeshiva which prioritizes our children’s connection to Yahadus and middos tovos, while maintaining exceptionally high academic standards and preparing them for a Torah-committed life in the modern world.
“There is no place like home.”

Rabbi and Mrs. Shmuel Goldstein and family
Thank you from the depths of our hearts for building this Yeshiva - each building, every staff member and every child is a credit to your decades of dedication.
We hope that you take continued nachas from the fruits of your labor, from which our families benefit every day.

Rabbi Daniel Price
Thank you for continuing to build on the foundation of our great Yeshiva, with expert dedication to the chinuch of our children and families. Thank you for your professionalism, your innovation, your systems, your team building, and your constant introspection, evaluation and reevaluation. Most of all - thank you for your sincere concern and love for your entire RYNJ family.
To Lea and the entire Price family, thank you for sharing your husband and father with the RYNJ family and his 1100 adopted children. Thank you for the tremendous hours he has dedicated to the Yeshiva, often making him unavailable for attending to your needs.

Glenn and Debby
In Honor of the RYNJ Administrative Team: Mrs. Helen Adler, Rabbi Avi Bernstein, Rabbi Ephrayim Clair, Dr. Bin Goldman, Mrs. Tamar Kahn, Mrs. Jenni Levy, Mrs. Jenny Samet, Mr. Daniel Sanacore, Mrs. Shani Skydell, Mrs. Sandy Steinberg, Mrs. Stephanie Summers, Morah Aviva Vogel, Rabbi Nachum Wachtel, Mrs. Robin Wexler, Morah Cindy Zucker, and many past administrators.

Reading and writing this list has put a smile on our faces. We have gotten to know each of you over the past several years, and it has been an absolute pleasure. Thank you for your absolute dedication to our children and ensuring they receive a spiritually uplifting and first-rate education. We appreciate your openness to feedback and your continuous quest to improve our yeshiva. We have seen you extend yourselves well beyond school hours and you have demonstrated unparalleled commitment to our Yeshiva. It has been a pleasure to work together with all of you on so many initiatives to benefit all our students.

In memory of our sorely missed Rabbi Dovid Kaminetsky zt”l – we will always remember and cherish your special connection to our middle school children. You sought the best from each of them, always infusing them with midos, a desire to learn and great sportsmanship! You will always have a special place in our hearts and in the hearts of so many children.

****************************************************************************************************************************

With sincere appreciation and hakaras hatov to all past, present and future Rabbeim, Morot, and teachers of our children, We did the math. There are close to 200 of you. 11 years for 5 children times an average of 3.5 faculty members. You are truly the heart and soul of our school. You open our children’s eyes and minds to skills, ideas and critical thinking. Thank you for dedicating yourselves and partnering with us in guiding our children in the path of Torah, academic excellence and middos tovos.

Thank you to everyone who came out tonight to celebrate a cause that is so meaningful to us, and to all those who participated generously in our journal campaign.

P.S. - Revenge for any blooper reel or any other part of the video that is embarrassing will be exacted (from Rivka) immediately after the dinner!
It is an absolute pleasure to share this evening with

**Honey Senter**, and the entire Senter / Rosenbaum family. The dedication of the entire Rosenbaum family to excellence in Jewish education is unmatched by any family in our times.

Thank you, **Mrs. Senter**, for building the Yeshiva from just a kernel in your father, z”l, **Aaron Rosenbaum**’s eyes, to the great institution it is today, the envy in many mechanchim’s eyes!

Thank you to all the alumni that have followed in Mrs. Senter and **Rabbi Yudi Rosenbaum**’s footsteps by continuing to remain involved in our Yeshiva and continuing to sing its many praises!

**Glenn and Debby**
In honor of the **unsung heroes**, those who work day and night to be able to afford tuition, pay their commitments and generously support our Yeshiva.

In 1969 a young boy entered the Yeshiva of Hudson County. Upon entering first grade he seemed to be struggling with reading and math and it was recommended by the administration that he be tested to see if he can manage in a regular class. After about a week of testing it was strongly recommended that he be switched to public school. At that time Yeshivas did not have recourse rooms, and were ill equipped to deal with kids who had difficulty learning. It was also felt that a duel curriculum was way too intense for such a child. In public school he could receive the services he needed and would not have to deal with a duel curriculum. Although reluctant to do so, the administration felt that had no choice but to transfer him to public school. His mother disagreed. She had been a teacher in the yeshiva and although she was no longer actively teaching her passionately believed that all Jewish children deserve a Jewish education. She committed to work with her son after school and would make sure he could keep up. So the little boy stayed in YHC and through all her effort he kept up in class. Spelling was a particular challenge for him and as hard as they worked he just couldn't spell. In those days every Friday was the weekly spelling test and 90% was the passing grade. He would routinely score 40 or 50%. One weekend, after studying for hours and hours he managed to get a 75 on the weekly spelling test. Although 90 was the passing grade his mom proudly displayed his test on her refrigerator door, telling him how proud she was off all his hard work. She told him with confidence that if he puts his mind to it, he could accomplish anything. Well, the thing is if you say something often enough, people around you start believing that it is true. The teachers in the school followed her lead and rallied behind the young and through all their efforts he not only made it through school, he flourished. High school could have been a difficult transition for him, but with the skills he learned in YHC, and his mother’s support, he was be fine. The same boy that no one other than his mom thought could get through Yeshiva elementary school, soon graduated college and went on from there to accomplish so much more. Mommy, as you know, that little boy was me. When you told me “Avi if you put your mind to it there is nothing you can not accomplish” I took you seriously.

Thank you for believing in me!!!!!!

Danny Avi

Mrs. Senter,

As a family, we are so grateful for the impact you have had on our lives, but you have played an integral role in my life for the last 40+ years! You have opened your home to me, provided me with one of my earliest and closest friends, taught me how to act as a youngster, provided a school for me in Union City and New Milford, helped build and shape RYNJ where our children attend, approved a variance for our home, and provided countless kosher products for me and my family to enjoy. You are a role model for all of Klal Yisroel and we thank you for everything you have done and continue to do. May you have the strength to continue for many more years.
